## BRUSH CUTTER ( VB43 )

Stock Code:  
881407001

|                                   |                          |  |
|-----------------------------------|--------------------------|--|
| Main Unit                         | Remote type              | Automatic centrifugal clutch;<br>Spiral bevel gear; flexible shaft |
|                                   | Reduction ratio          | 17 : 22  |
|                                   | Blade rotation direction | Counter Clockwise(seen from the top)                               |
|                                   | Type of handle           | "D" grip   |
|                                   | Weight when dry(kg)      | 10.3   |
| Engine                            | Name of engine           | 1E40F-5C   |
|                                   | Type                     | Air-cooled, 2 cycle, verticle piston valve, gasoline engine        |
|                                   | Displacement(ml)         | 42.7 - 43.0  |
|                                   | Maximum output(kW)       | 1.25   |
|                                   | Carburetor               | Float-type   |
|                                   | Ignition                 | Non-contact electronic ignition                                    |
|                                   | Method of starting       | Recoil type  |
|                                   | Fuel Used                | gasoline mixed with lubricating oil<br>(ratio of 30 : 1)           |
|                                   | Fuel tank capacity(L)    | 0.9  |
|                                   | Dry weight(kg)           | 4.2  |
| Length of main pipe section(mm)   |                          | 1280   |
| Length of drive shaft section(mm) |                          | 1299   |
