

ELECTRIC PAN FRYER

PAN-F.500 CHROME

The Electric Pan Fryer design combines the advantages of stylish design, efficient construction, ease of operation and simple maintenance. The grill temperature can be easily adjusted to suit cooking requirements, and, while mainly used for sandwich grilling, the grill may be used for other foods.

Features :

- External shell and grease collector tray are stainless steel.
- The grills are designed to be easy to use and maintain.
- Grill temperatures may be set for different uses at the same time (double unit).
- Convenient independent temperature controls are easy to set and may result in overall power savings (double unit).
- Over-heat temperature controller for safety using.

Specification :
