

# SEALING FOOT TYPE MACHINE

This sealing machine use electricity pulse technology, causes the original operating time operating time to reduce from 2-4 second is 0.2-2 second, is one kind invests few, benefit high, the seal length is long, operation simple, contains the patent the high benefit seal equipment, can widely use in food, the medicine, the local product, the electric appliance part, the factory, the store, the service industry and so on.

**MODEL : FRS-500JT (20")**  
**POWER : 600 W**  
**SEALING LENGTH : 500 MM**  
**WARMING TIME : 0.2 – 2 SEC**  
**WEIGHT : 8.8 KG**  
**STOCK CODE : 880325008**

**MODEL : FS-600JT (24")**  
**POWER : 750 W**  
**SEALING LENGTH : 600 MM**  
**WARMING TIME : 0.2 – 2 SEC**  
**WEIGHT : 10 KG**  
**STOCK CODE : 880325009**

## FEATURES:

- DURABLE
- LIGHTWEIGHT
- MULTI-USERS
- SEALING TIME ADJUSTMENT
